

Rhia B22 LED Bulb

Product Code: LBWL-RHIA-F-ST64-U-B22-C

Our decorative LED bulbs produce a low level, very warm light, perfect for creating a relaxing ambience or in a statement decorative lighting piece. Rhia is an ST64 / squirrel cage style LED bulb, with a very warm colour temperature of 2200k and 190lumens, which provides a relaxing ambience at market leading CRI of 95. This is definitely a bulb for decorative use in bedside tables, table lamps, wall lights or ceiling pendants. Hang in a cluster or chandelier for increased lumens and to create a stunning statement lighting installation.
