

Shepherd's Crook tiny - wrought iron table lamp

Product Code: SLSHEPCTL380

Solid, hand forged wrought iron table lamp - the smallest of the shepherds crook lighting range and echoing the design of our matching curtain pole finials and fireside companion sets. Featuring distinctive hand-forged steel shepherd's crook legs and scroll top decorative details, it is designed and made by skilled blacksmiths in our rural Yorkshire forge. A sturdy and elegant shape, this lamp is available in a traditional black waxed finish or a more contemporary light burnished steel and fits wonderfully in to a cottage style sitting room or farmhouse bedroom. We feel the lamp is best suited to a simple round shade around 25cm diameter. The standard fitting is BC22 for a bayonet bulb. Larger sizes are also available.
