

## Wooldale - wrought iron standard lamp

Product Code: SLWOOLDALE1450

Handmade wrought iron floor lamp "designed and made by skilled blacksmiths. Distinctive and dramatic, it's a unique floor light which celebrates metalwork and craftsmanship. The elegant swan neck design allows the item to sit beautifully alongside a chair and the weighty metal base, forged in solid steel and connected by two copper rivets, ensures a firm footprint. Perfect for task lighting or a cosy reading corner, the lamp will accept a selection of shades. We prefer the prismatic glass coolie. A BC fitting accepts a range of bulbs and a foot switch is supplied along the cable for easy operation. Please note that due to its size and shape, our Wooldale standard lamp is dispatched on a pallet or you are welcome to arrange a collection from the forge.

**£625.00**
