

Springvale 7-light - wrought iron pendant light

Product Code: PLSRINGVALE7LIGHT

An incredible cascade of handblown lead crystal shades with twisted optics in a rainbow of colours, suspended from a light burnished steel ceiling rose and ring, designed and developed by our own in house team of product designers and blacksmiths. This pendant light has been produced in collaboration with renowned glassmaker, Lumsdale Glass of Matlock. Ever popular, this vibrant and striking piece of handmade ironwork and handblown glass is a showcase collaboration of British craft skills and determination to pursue a dream. Made to measure for your home, this piece suits a colourful and individually styled property. As a centrepiece in a hallway or high ceiling living room it will make a real eye catching statement. Ideally this piece needs at least 2m overall drop to make the most of it's features. Supplied with nickel coated, British made BC lampholders and a colourful round fabric cable.
