

Handmade wrought iron portière â€“ made to measure up to 1100mm

Product Code: CPPORTSTD16

Wrought iron made-to-measure portière with a choice of five beautiful handmade finials. Our Forged Ball, Smooth Sphere and Button portières are priced Â£140. Add Â£10 to that for our distinctive Curl and Shepherdâ€™s Crook portières, at Â£150. The portière's hinged bracket, which may be fitted to the wall beside your door or to the adjacent wall, allows you to swing it back and forth over your doorway with ease, to keep out the cold and keep your home cosy.

Additional Information

- made to measure up to a maximum length of 1100 mm
- made from 16 mm solid wrought iron pole
- wall bracket dimensions: 50mm wide x 230mm high x 25mm depth from wall
- made with your choice finial - button, forged ball, smooth sphere, shepherdâ€™s crook or curl
- design allows for fitting to either the right or left side of a door
- if fitting beside the door, measure the distance between the edge of the bracket and the end of your chosen finial (see diagram)
- if fitting to the adjacent wall, measure the distance between the wall and the end of your chosen finial (see diagram)
- when measuring, ensure your portière extends beyond your doorway so it will cover any draught at the edge
- available in natural black finish only
- curtains are often hung directly on to the portière pole (see image) with tab-tops etc, but if using rings, select the number you require, we suggest a minimum of one per 10cm
- portière pole may be easily removed from wall bracket in summer if desired
